Applications:

ARHUM Unsalted Tomato Juice: A Sodium-Free, Low-Sodium Tomato Juice Concentrate

The ARHUM Unsalted Tomato Juice is a great choice for those looking for a sodium-free, low-sodium ketchup alternative. Our tomato juice concentrate is made with all-natural ingredients and contains only 2% of the nutrient reference value of energy per 100ml, with no fat and no protein. It also contains only 6mg of sodium per 100ml, making it a great choice for those looking to reduce their sodium intake.

The low-sodium concentrate has a pleasantly tart flavor that pairs well with a variety of dishes. You can use it to create a delicious and healthy tomato sauce for pasta dishes, as a marinade for fish or poultry, or as a base for soups and stews. It's perfect for adding a kick of flavor to your favorite recipes without having to worry about overloading on sodium.

ARHUM Unsalted Tomato Juice is also a great choice for those looking for a healthier alternative to ketchup. Our low-sodium concentrate can be used to create a delicious, sodium-free ketchup that can be used as a dip or condiment. Whatever your culinary needs, the ARHUM Unsalted Tomato Juice is the perfect solution for those looking to reduce their sodium intake without compromising flavor.
